

ASSOCIATION OF NEPALI TERAIAN IN AMERICA
For Teraiian Identity, Integration and Empowerment

Project evaluation Scheme

1. Objectives
2. Project Long/Short term (purpose/Visions/goals)
3. Project Duration/time line
4. Demographical and other related prior studies (What are the demographic characteristics and size of the target beneficiary population? What, if anything, distinguishes them from others in the location?)

For example:- # of children going to school, and major source of income, condition of the households, level of education, means of transportation and access of roads, school, college et.c.

5. Budget (please also include other possible sources and breakdown; also mention expected budget from ANTA)
6. Participation (please also include all other parties/organization who involve/participate)

(Note:- Please briefly mention in one paragraph how you want to participate ANTA in this project)

7. Possible and targeted Outcome of the project (anticipated tangible socio-economic and other benefits long term/Short term)
8. Impact (A result or effect that is caused by or attributable to a project. Impact is often used to refer to higher level effects of a project that occur in the medium or long-term, and can be intended or unintended and positive or negative.
9. Summary
